Comments on Docket # FRA-1999-6439-1152

As a 45 year resident of Wilmette, I strongly oppose the blowing of Train Whistles at every grade crossing.

The residents of Wilmette will suffer of loss of life.

No whistle can prevent the careless driver from crossing the tracks.

Do something useful and ban the use of car-telephone while the cars is in motion.

Insist drivers pull to side to phone.
