Dear Babu:

In response to the Inter-Industry Analytical Group's (IIAG) May 28, 1996 letter to Tudor Davies, I am enclosing copies of the audiocassette tapes recorded during the Agency's April 26, 1996 meeting with IIAG representatives. As requested, I am also enclosing a diskette that contains the complete, unedited ICP/MS data set associated with EPA's recent study of detection and quantitation levels.

Please contact me if you wish to further discuss these materials.

Sincerely,

A handwritten signature in black ink, appearing to read "W. A. Telliard".
