

Attached are comments from the American Water Works Association in response to the request for public comment on "Considerations for Developing Alternative Health Risk Assessment Approaches for Addressing Multiple Chemicals, Exposures, and Effects; External Review Draft" (71 FR 16306). Please acknowledge receipt; these comments were emailed to the docket because www.regulations.gov does not appear to be working this afternoon (per instructions on page 71 FR 16307).

If you have any difficulty with this transmission, please contact Steve Via at (202-628-8303, svia@awwa.org).

Thank you for your attention.
