Dear EPA Docket Center EPA-HQ-OAR-2005-0036,

Please accept my comments regarding EPA Docket ID No.  
EPA-HQ-OAR-2005-0036.

I strongly urge the EPA to stand for the most stringent regulations possible for automobiles. Without strong leadership from EPA, the auto industry will continue to turn out vehicles that spew pollutants, while we have the technology to make much cleaner vehicles. Please help make this country cleaner and safer for all by standing for tough industry regulations.

Sincerely,

Jeremy Ehrlich
