

THE LAX POLICIES OF THIS AGENCY ON LETTING DRIVERS WITH IMPAIRED VISION DRIVE ARE NEGLIGENT AND DO NOT PROTECT THE PUBLIC. I DO NOT THINK THE POLICIES OF THIS AGENCY ARE ANYTHING BUT CAPITULATION TO TH TRUCK DRIVING INDUSTRY WHICH WILL PUT ANY OLD THING ON THE ROAD TO MAKE PROFITS. THE WORSE THE BETTER FOR THEM. THE PUBLIC IS ENTITLED TO BETTER FROM THIS AGENCY. THE PUBLIC IS ILL SERVED BY FMCSA AND ITS LAX POLICIES ON ALLOWING PEOPLE WITH IMPAIRED VISION TO DRIVE. THIS AGENCY IS NOT SCRUPULOUS ENOUGH IN MAKING SURE THE DOCTORS GIVING THESE CERTIFICATES ARE THE M OST HIGHLY TRAINED, BUT ACCEPT ANY OLD CERTIFICATE WHICH IS POORLY WRITTEN. THE DRIVING PUBLIC'S SAFETY IS HARMED BY THIS AGENCY'S WORK.
