Re: Elizabeth Fisher's Petition for an amendment to SEC. 571.209
Standard No.
209, Seat Belt Assemblies.

Dear Administrator:

I am writing in support of Elizabeth Fisher's petition to amend
49CFR571.209.

The National Highway Traffic Safety Administration and
President Clinton's Buckle Up America campaign are asking America to
buckle up.

For some of us, Americans in order to buckle up, Vehicle manufacturers
must be required to manufacture seat belt assemblies that fit all people,
not just those who weigh less than 215 lbs.

Vehicles come in all shapes and sizes, just like people, and if a
person fits in a vehicle, they ought to be able to buckle their seat belt.

Sincerely,
