FMCSA-2001-9709-121

Re: Docket Nos. FMCSA-2001-9709 and FMCSA-2000-7382 -153

Dear Secretary Mineta:

As a transit worker, and a member of the Amalgamated Transit Union (ATU), I strongly urge you to **reconsider the new rule** recently issued by the Federal Motor Carrier Safety Administration (FMCSA) (67 FR 49742), requiring States to disqualify a commercial drivers' license (CDL) holder from driving a commercial motor vehicle (CMV) if they are convicted of certain serious traffic violations committed while operating a non-CMV.

Under this new rule, I could lose my CDL, and thus my **job**, if I receive more than one speeding ticket within a three year period while operating my own personal vehicle, regardless of whether my State revokes my personal drivers' license. **This** was clearly not the intent of Congress, which authorized the FMCSA to require the disqualification of a CDL holder's CMV driving privileges only after the person has been **both convicted and has had his/her non-commercial drivers' license revoked, cancelled or suspended by the State.**

Please, reconsider this rule and amend its provisions to conform with the requirements set forth by Congress. **My job could be at stake!**

Sincerely,

Member, ATU Local 822
