RE: AirTran Airways Service to  
LaGuardia, New York

To Whom It May Concern:

I am writing your office to encourage the approval of AirTran Airways request to provide service from LaGuardia to the Toledo Express Airport.

As an owner of a mid size engineering consulting firm doing business throughout the eastern half of the U.S., this new service will allow my firm to be more cost effective with the added advantage of convenience. As with any company, these benefits can only be passed on to our current client base, as well as, the new clients that will be obtained from this addition to Toledo Express.

This is clearly an opportunity for our community and others to develop economically. Again, please consider approving this request.

Sincerely,

TolTest, Inc.
