Subject: Exemption File 11899

Dear Ms. Hedgepeth:

In accordance with 49 CFR 107.117(a), Carleton Technologies Inc. requests emergency processing for exemption file 11899. If an exemption is not received by August 22, 1997 Carleton will be unable to meet out delivery schedule requirements for the Gas Storage Bottle Assembly in support of Raytheon Systems Company LEAP missile program.

Please note that our submission date of August 6, 1997 was well within the 120-I 40 day processing time requirement given by DOT.

We would appreciate your prompt attention to this matter. Please contact me if you have any questions at 716/ 667-6232 (voice) or 716/662-0747 (fax).

Thank-you for your help.

Sincerely,

Tom Harlock
