OSHA Docket
Docket No. H-122
Room N-2625
200 Constitution Ave N.W.
Washington, DC 20210

To Whom It May Concern:

I understand OSHA is trying to implement new smoking rules and regulations.

I'm a smoker. If this was passed, it would hurt me and my business - I couldn't even smoke in my own place of business. I know my customers would be very unhappy.

This is a free country so act like it. Stop taking away the rights of people. This should be left up to the individual business owner.

Yours truly,
