Docket No. H-122
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

I'm writing to you to tell you that I am against your proposed smoking ban. As a retiree and smoke, I think that it's very prejudicial and unfairly aimed at all smokers.

OSHA shouldn't be allowed to get involved in this matter. The tobacco companies as well as the Congressional Research Service don't feel the EPA report on secondhand smoke is accurate. As a result a federal suit has been filed in opposition.

Not only that though, I feel that they have no right to go making decisions that will effect every smoker in America. I think everyone has forgotten about the rights of over 46 million smokers. Perhaps it was time they were reminded.

Yours,

James H. Bath
