Ms. Felicia Marcus  
Region IX Administrator  
United States Environmental Protection Agency  
75 Hawthorne Street  
San Francisco, California 94105

Attention: Mr. David P. Howekamp, Director  
Air Division

Dear Ms. Marcus:

Enclosed are three copies of revisions to the *State of California Implementation Plan for Achieving and Maintaining the National Ambient Air Quality Standards (SIP)*. These revisions consist of new, amended, and rescinded rules of the following air pollution control and air quality management districts (districts):

Antelope Valley Air Pollution Control District  
Kern County Air Pollution Control District  
Lake County Air Quality Management District  
North Coast Unified Air Quality Management District  
Placer County Air Pollution Control District  
Sacramento Metropolitan Air Quality Management District  
San Diego County Air Pollution Control District  
San Joaquin Valley Unified Air Pollution Control District  
Santa Barbara County Air Pollution Control District  
South Coast Air Quality Management District  
Ventura County Air Pollution Control District

Also enclosed is Air Resources Board (ARB) Executive Order G-125-233 adopting the district rules as revisions to the SIP. The districts are authorized to adopt and enforce the rules by California Health and Safety Code section 40001. The ARB is authorized to adopt the rules as revisions to the SIP by Health and Safety Code sections 39601, 39602, and 41650 through 41652. Enclosure A lists the specific rules that were adopted, amended, or rescinded by the districts and that have been adopted as revisions to the SIP by the ARB through Executive Order G-125-233.

Ms. Felicia Marcus

Page 2

To meet the United States Environmental Protection Agency (U.S. EPA) criteria for determining that rule submittals are administratively and technically complete, we have enclosed evaluations of the effects of the rules on emissions, evaluations of the rules' consistency with 40 CFR 51, and other supporting documentation provided to us to date by the affected districts. We have made every reasonable effort to obtain from the districts all documentation necessary to comply with the U.S. EPA's SIP Completeness Policy.

We understand that, according to section 110(k)(1)(B) of the federal Clean Air Act, the U.S. EPA will determine within 60 days of the Administrator's receipt of a SIP revision, but no later than six months after the date by which the State is required to submit the revision, whether the rule packages within the revision are adequately complete to review for approvability. The ARB staff may receive additional supporting documentation from affected districts within the next few months. We will, of course, forward those additional materials to you.

If you have any questions or would like to discuss this SIP revision, please contact Mr. Robert D. Fletcher at (916) 322-6023; or if I may be of assistance, contact me at (916) 322-2890.

Sincerely,

Michael H. Scheible  
Deputy Executive Officer

**California Environmental Protection Agency  
AIR RESOURCES BOARD  
Executive Order G-125-233**

WHEREAS, the rules identified in Enclosure A have been adopted, amended, or rescinded by the following air pollution control and air quality management districts (districts):

Antelope Valley Air Pollution Control District  
Kern County Air Pollution Control District  
Lake County Air Quality Management District  
North Coast Unified Air Quality Management District  
Placer County Air Pollution Control District  
Sacramento Metropolitan Air Quality Management District  
San Diego County Air Pollution Control District  
San Joaquin Valley Unified Air Pollution Control District  
Santa Barbara County Air Pollution Control District  
South Coast Air Quality Management District  
Ventura County Air Pollution Control District

WHEREAS, the districts are authorized by California Health and Safety Code section 40001 to adopt and enforce the rules identified in Enclosure A; and

WHEREAS, the rules have been submitted to the Air Resources Board for inclusion in the *State of California Implementation Plan for Achieving and Maintaining the National Ambient Air Quality Standards (SIP)* as reasonably available control measures for limiting emissions of air pollutants within the districts; and

WHEREAS, the Air Resources Board has determined that these rules are necessary to meet requirements of the federal Clean Air Act; and

WHEREAS, the Air Resources Board is authorized by California Health and Safety Code sections 39601, 39602, and 41650 through 41652 to adopt district rules as revisions to the SIP.

THEREFORE, IT IS ORDERED that the Air Resources Board hereby adopts the district rules identified in Enclosure A as revisions to the SIP.

I certify, pursuant to 40 CFR 51.102(f), that the rules identified in Enclosure A were adopted, amended, or rescinded after notice and public hearings as required by 40 CFR 51.102(a) and 51.102(d).

Executed this 18th day of May, 1998, at Sacramento, California.

CALIFORNIA AIR RESOURCES BOARD

Michael H. Scheible  
Deputy Executive Officer

Date: May 18, 1998
