RE: Negative Declaration certifying that no Other Solid Waste Incinerator (OSWI) units exist in Pima County

Dear Ms. Jordan:

Pima County Department of Environmental Quality (PDEQ) has reviewed the definitions and requirements of 40 CFR Part 60, Subpart FFFF, Emission Guidelines and Compliance Times for Other Solid Waste Incineration Units that Commenced Construction On or Before December 9, 2004. A review of existing sources indicates that there are no OSWI units subject to the Emission Guidelines located within PDEQ's jurisdiction.

In accordance with 40 CFR 60.2982, PDEQ is, by this letter, making a declaration that PDEQ has no OSWI units under its jurisdiction subject to these requirements. This negative declaration is being submitted in lieu of a State Plan that was due December 18, 2006.

If you have any other questions or comments, please contact me at (520) 740-3340.

Sincerely,
