The Honorable Mary Peters  
Secretary  
U.S. Department of Transportation  
1200 New Jersey Ave, SE  
Washington, DC 20590  
Docket DOT-OST-2008-0252

Dear Madam Secretary:

Please support and approve the application for antitrust immunity filed by American Airlines, British Airways, Iberia, Finnair and Royal Jordanian. Approval of this application by the U.S. Department of Transportation would enable these five **oneworld** alliance airlines that operate transatlantic service to work closely together to deliver highly competitive flight schedules, fares and service as well as compete on equal footing with Star and SkyTeam alliances, which currently enjoy broad antitrust immunity for transatlantic flights.

In addition, please support and approve the request by American, British Airways and Iberia to establish a joint business agreement for operations between North America and Europe, which would create a more efficient and comprehensive transatlantic network for the carriers' customers. This action will have a positive impact on air travel by offering customers more service, scheduling and pricing options and will help to ensure that customers continue to benefit from having three competitive air alliances.

Sincerely,

Irene Postel  
President
