

Submission to Docket 2009-0042

Subject: Docket Submittal for Docket No. NHTSA-2009-0042
Date: April 30, 2009
Teleconference meeting between NHTSA, Volpe, and CSM Worldwide

From: Scott Yon
Engineer, Fuel Economy Division

To: DOT Docket Management

On April 13, 2009 a teleconference was held from 2:00 to 4:00 PM between NHTSA, the Volpe Center, and CSM Worldwide. The meeting was held at the request of CSM and was further to an earlier meeting held March 30, 2009. CSM explained their business function and how it might be relevant to NHTSA's CAFE rulemaking activities. No documents or other materials were provided by CSM. The following persons were in attendance:

NHTSA Attendees (located at DOT headquarters):
Peter Feather, Fuel Economy Division Chief
Rebecca Yoon, Attorney-Adviser NHTSA Office of Chief Counsel
Phil Gorney, Engineer
Scott Yon, Engineer

Volpe Center Attendees (located at the Volpe Center):
Kevin Green, Chief, Energy Technology Division
Ryan Harrington, Engineer, Energy Technology Division
Walter Gazda, Economist, Energy Technology Division
Joshua Templeton, Economist, Economic and Industry Analysis Division
Joe Mergel, Operations Research Analyst, Economic and Industry Analysis Division
Don Pickrell, Economist, Economic and Industry Analysis Division

CSM Worldwide Attendees (located at CSM's Detroit Office except Mr. Fedewa who was at the Volpe Center):
Craig Cather, President and CEO
Eric Fedewa, Vice President, Global Powertrain Forecasts
Paul Haelterman, Vice President, Global Advisory Services
John Brennan, Vice President, Global Business Development
